

ACKNOWLEDGEMENTS

We would like to extend our heartfelt gratitude to those individuals and organizations without whom the project would not have been possible.

Firstly, we would like to thank our guide Mr.B.Sammunayak, Assistant Professor, Department of Electronics and Communication Engineering for his guidance and willingness to share his vast knowledge and helped us to complete the assigned tasks.

We would like to thank Mr. N. Shyam Sunder Sagar, Assistant Professor, Department of Electronics and Communication Engineering who supported us a lot in successfully completing our project.

We would like to thank the Head of the Department Dr. K. Manjunathachari, for encouraging us and giving a due support in our project work.

We would also thank our Institution and my faculty members without whom this project would have been a distant reality.

Last but not least, we would like to thank our family and friends for their encouragement and support.
